Morning "Coffee Break" Meetings Planned

On Tuesday, January 20th the Chamber held a Listening Session event at 7:30 am in an effort to engage more members in the work that the Chamber is doing. While our first session had just 9 attendees, it was a great open forum for members to share ideas and discuss areas of improvement for the Chamber.

A recap of this Listening Session will be shared at the next Chamber Board Meeting for further discussion by the Board of Directors. Those in attendance enjoyed the open discussion and would like to see a more regular meeting of this type – with a consistent location, time and date.

As a result, the next meeting was set for Tuesday, February 17th (the 3rd Tuesday of the month) at 7:30 AM in the Council Chambers. Coffee will be available. All are welcome to attend and share ideas and network with other business owners and managers.
